SERVING WHITEHALL, PIGEON FALLS, TOWN OF PIGEON, TOWN OF LINCOLN AND PLEASANTVILLE AREAS

October 2016

The annual fundraising campaign of the United Community Fund is once again upon us. The fund drive is a project that was undertaken by the Whitehall Area Chamber of Commerce as a way of giving back to the community.

All of the funds raised will stay right here to support local organizations in our communities. Last year the United Community Fund raised \$11,752 that went back to these local organizations who rely on your contributions to fund their programs and provide services.

This year we have included the Whitehall Area Youth Sports Association along with twelve other local organizations. This Association was formed to replace the City of Whitehall baseball and softball programs. Youth from the Whitehall School District are eligible to participate in their programs, however it is not part of the school system. They are expanding the association to include other sports for our youth as well.

For your convenience, you may continue to make one check payable to the United Community Fund. On the enclosed card, you can then designate how you wish your funds to be distributed. Your donation may be mailed in the self-addressed envelope or dropped off at the following locations:

Whitehall City Clerk's Office
Arcadia State Bank-Melby Branch
Pigeon Falls State Bank-Whitehall Branch
Royal Credit Union
Waumandee State Bank

Please keep in mind that any gift to the United Community Fund helps to make a difference in the lives of many, whether you are able to donate \$1 or \$1,000. We welcome your comments and suggestions. Thank you for your support, your gift really does count!
